Thinking of The Future

Calendar 2012

6 De **January** Sectional

Greetings in the most precious Name of our Lord and Savior Jesus Christ. I want to thank all of our Pastors and ministers for the tremendous reports from around our district. Many are receiving the Holy Ghost and being Baptized in the Name of Jesus Christ. It has also been reported by many of our Pastors and Ministers that they are very pleased with the direction of our district and the atmosphere of unity, cooperation, revival and love of one another. This is what the body of Christ should feel.

***It is Time**, time to water and time to plant and I believe that God will give the increase. This can only happen when we are doing our part. **It is Time to Plant Churches** and build the Kingdom of God, Time to release men into the harvest fields and water the seeds of churches across South Jersey and Delaware.*

***It is time for men and women to reach out by faith** and allow the Holy Ghost to empower us with supernatural abilities and gifts.*

It is time to reach with one another** into new cities and neighborhoods together to support one another with evangelism efforts. **It Is Time for New Jersey and Delaware to explode with growth of our churches and to double the amount of our churches as we target cities and towns.

Currently there are 21 churches in our District, two preaching points and one Spanish daughter work. I believe we can double
